

EVOLVING SPIRITS

With *Elisabeth von Madarasz*
www.shamanic.ac.nz

The *Evolving Spirits Training* is a high level spiritual training for rainbow healers and peacemakers for the light, at this unprecedented time on Mother Earth.

The *Spiritual Hierarchies* offer themselves in this ongoing training to assist us to unfold, with as much ease and grace as we choose, as we move towards 2012.

There is no past training that can assist in this new *unfolding from our third to fourth dimensional frequency and beyond*.

We will be assisted with the new *consciousness required for the fourth dimension and beyond, along with the personal healing necessary to evolve*.

This will be an opportunity for us to co-create a loving whanau, as a powerful peer group support through these immense times unfolding.

Spirit also offer themselves to co-create with and through us *profound planetary and cosmic healing to midwife the earth through these extraordinary times*. For as we are aware, the more earth healing that occurs, the less cataclysmic the earth changes required.
