*There is one Holy Book, the sacred manuscript of nature,
the only scripture which can enlighten the reader.
Hazrat Inayat Khan – Sufi Mystic*

Earth based spiritual teachings, experiences & daily practice

From ancient times shamans have worked with the Spirits of nature for healing, survival and knowledge. The way of the shaman is to live in harmony and balance, honouring all life forms. It is the way we will co-create the New Earth unfolding.

Using the ancient tools of the Shaman you will learn:

- How to see, walk and be in nature to optimally attune and be open to receive her gifts
- How to go to nature for self healing, answers and problem solving
- How to communicate directly and co-create with nature.

Hazrat Inayat Kahn: “It is not enough to harmonize with nature, we must also communicate with her.”
